day
19th Dec Year 4 and Choir
Carol service 2:00pm St Lukes
Church
Tues 7th Jan Back to School

Parent Calendar can be
accessed from the school
website and Quick Links.

Carol Service

On Thursday 19th Dec Year 4, the Choir and a small brass band will be performing at St. Lukes Church at 2:00pm. Any family members of the above may attend. Seats will be on a first come basis.

Christmas Disco

Another great event by our PTFA with £550 made. A completely bonkers evening, I now need a week to recover!

School visitors

Nina Orchard from St. Lukes came to school to do a whole school assembly. It's great having members of our local community coming into school. I am always on the look out any other visitors who could share their learning with the children. Do we have any STEM ambassadors or parents who have interesting careers that would inspire our children? Please get in touch if you know someone or think you can help.

Dear Parents,

What a great term it has been. Our Year three children have stepped up to the challenges of the junior school, showing a developing confidence and maturity.

We have had so many activities going on in school across the whole curriculum and beyond. For example year threes learning how to make soup, year fours experiencing an outdoor adventure trip away from home and year fives doing some fantastic artwork. Today I avoided year six as they were dissecting hearts and lungs! I am told we have several surgeons in the making. School at Newlaithe's really is a place with so many opportunities and experiences.

The year five Christmas play is now in full practice mode. Lights and trees are popping up all over school and I've even got a few twinkling in my office. I say it every year, Christmas is a magical time and really is just the best when working in a school.

Merry Christmas to you all.

Eden Manor

Our year six children have been spreading Christmas cheer with singing, dancing and games. I'm not sure what the residents thought of it but the children and Miss Lowther had a great time. See Dojo for the evidence!

School Admissions

[Don't forget to complete the online admission form if you have a child starting school in September 2025.](#) Deadline is the 15th January 2025.

LINK

Head Teacher's Awards

No Head Teacher Award winners this week we have been just too busy! We will try to squeeze one in next week.

Asda Cashpot

Our total from the ASDA Cashpot came to £240.64. Thank you to everyone who shopped in ASDA and put our school down to receive funds. The money will go into the PTFA account to support school.

Poppy appeal

Our Poppy Day this year raised £184.75. A great contribution to a great charity. Thank you everyone.

Bingo

The school bingo evening was a great success, everyone managed to go home with some chocolate, raising over £600 is an absolute bonus. Thank you to our PTFA for their hard work organising the event, to Mrs Taylor for being a fantastic caller and to the children and families who supported the evening. I'm pretty sure everyone had a great night.

4Front theatre visit

We had a fantastic free performance by 4Front theatre. Thank you to Nina from St Luke's for organising.
