18th July Musicians performance 1:30pm
19th Last day of term finish 1:20pm
4th Sept Back to school.

Year 6 Residential

Our Year Six children had a fantastic time on their residential at Barcaple. I always feel it a privilege to take children away and see them challenge themselves

or excel in something they never knew they could achieve. Tired but very happy faces by the end of the week.

Wraparound Care

Wraparound Care is almost ready! Please keep an eye out for a registration form and further information which will be sent out very soon. This will need completing prior to any booking being made.

Karate

Our Year threes had a fantastic karate taster session this week with Aidan Docherty an England squad member and Commonwealth medallist. I wonder if we have any future champions here at NJS.

Dear Parents,

My ears are still ringing from the school disco! And there is definitely some tired faces in school today.

Well what have we been up to? Sports Day was brilliant until the teachers race of course, when it went rapidly down hill.

The children were brilliant as always supporting each other and their teams. Competition was high in all the activities, but it was Bitts who took the trophy. We were so lucky to have what seems like the last day of sunshine and blue skies. The atmosphere and the buzz during the afternoon was fantastic. Lots of pictures on the Dojo if you haven't seen them.

The move up morning worked well and it was lovely welcoming our new children to year three. It is always an exciting day for children getting the chance to meet their new teachers teaching assistants and classrooms. Hot off the press! The three/four boys football team smashed it today winning the Cumbria championship. The boys were amazing throughout only losing one game and beating

Head Teacher's Awards

This weeks Head Teacher Award winners. Well done everyone.

MFL Morning

On Thursday 27th June, all pupils and staff took part in a Modern Foreign Languages morning. This involved all pupils enjoying a French breakfast and using French to ask for breakfast items. Pupils then took part in a variety of workshops including learning Italian, German and Polish. Some pupils were lucky enough to be taught Spanish by a group of very brave pupils from Richard Rose Morton Academy, who gave them a challenge to design a new football strip for a European team. Other activities included an outdoor flag treasure hunt, an orienteering flag activity and African drumming. In music and in assembly pupils learnt to sing a song in Italian. All pupils and staff thoroughly enjoyed the morning. Some comments from pupils:

"I loved it, especially the drumming and the Italian speaking lesson".

"It was the best thing. Just please do a full day."

"J'adore le pain au chocolat parce que c'est délicieux."

"I loved the different activities and had so much fun."

"My favourite part was learning Spanish with Richard Rose pupils because they made it such fun."
