12th SAT's Week  
13th Times Tables Rock Stars  
20th&21st Aglionby Wetlands  
Last day of term Fri 23rd  
2nd June Back to school

## Year 4 Eden Rivers Trust

Year three have started learning about rivers. The classes worked together to identify key features of rivers. It was a great hands on session that's got everyone looking forward to their upcoming river trip!

## Boys WC refurb

I've never seen our boys so excited about a toilet block! A lick of paint, new flooring and a few alterations and they are over the moon with the makeover. Hopefully we will be able to continue through the rest of the toilets and get the same enthusiasm from the girls!

## Parasols

Is anyone upgrading their parasols or weights this summer? If so, we would love your old ones for school grounds to provide some shade. Thank you

## Dear Parents,

The Summer term is here and the sun is shining. Fingers crossed the good weather will continue.

We have a busy term ahead with residentials, SAT's, trips out, enterprise, sports day and much, much more.

I've just been out at lunch during playtime and it was amazing. Children were playing football, table tennis, dance, listening to music, climbing, basketball, chilling in the pagoda using mini microscopes and skipping, the list goes on and on. How lucky we are.

## TT Rockstars

Get Ready to Rock Your Times Tables! During the week beginning Monday 19th May, Newlaithes Junior School will be taking part in an exciting Times Tables Battle against other schools in the Carlisle School Partnership!

To kick things off in style, we'll be launching the week with a 'Dress Like a Rockstar Day' on Monday 19th May. So dust off those leather jackets, find your shades and start prepping your best rockstar outfit. Let's rock those times tables and show Carlisle what Newlaithes can do!

## Headteacher's Awards

Great efforts from our Head Teacher's Award winners.

## Wheelie Wednesday

Well it wheelie was a success, the children were fab and had a superb handle on their wheels. We are definitely going to steer it in the right direction and hold off the brakes for now! Reminder that scooters, roller skates/blades and skateboards are all allowed. **A HELMET IS COMPULSARY.**

## New Bug Hotel

We have installed a new bug hotel for critters to call home. Can't wait to see who joins us.
