14th Y6 Performance

16th Leavers Assembly

17th School Finishes 1:20pm

Modern Foreign Languages

On Thursday, we all participated in modern foreign languages morning celebrating different languages and cultures. We enjoyed a French breakfast and took part in German and Italian lessons. Some of us were lucky enough to have a Spanish lesson delivered by Richard Rose pupils and year 4 and 5 had a great time learning about Polish foods and cities delivered by some of our extremely brave Polish children. Other activities included a flag search and joining in with world cup songs from across the world in different languages.

Dear Parents,

As we head into the final few weeks of the school year, I would like to thank all of our pupils, families and staff for their continued hard work and support. The recent hot weather has certainly brought some extra challenges, and we are making sure children stay safe, cool and hydrated throughout the school day. Please continue to send children in with a water bottle, sun hat and sunscreen where needed. Back to school uniform from Monday to try and keep some normality. We are looking forward to an exciting and positive end to the term, with lots of opportunities to celebrate the children's achievements and successes together.

HOT, HOT, HOT

The recent hot weather brought plenty of excitement to school this week as pupils and staff took part in an unforgettable water pistol battle on the school field. Armed with water pistols, buckets and plenty of determination, the children quickly proved far too strong for the teachers, who were left completely soaked by the end of the afternoon! Our fantastic school grounds provided the perfect space for everyone to cool off safely while enjoying time outdoors together. Throughout the warmer weather, classes have also enjoyed taking learning outside whenever possible, making the most of the sunshine and fresh air. From outdoor reading sessions to creative activities in the trees, the children have loved learning in a different environment while creating special memories with their friends and teachers as we approach the end of the school year.

Headteacher's Awards

Super effort from this weeks' Head Teacher's Award winners. Well done for all the hard work.

Girls Football

A big well done to the Year 5/6 Girls team who finished third in their grouping and then battled it out to the quarter finals on a scorching day. A brilliant display of team work and resilience.

Sports Day

Our annual Sports Day was a fantastic celebration of teamwork, determination and community spirit. Pupils showed great enthusiasm and sportsmanship throughout the day, taking part in races and activities while cheering on their classmates and house teams. A highlight of the day was the wonderful support from families and friends, who came together to encourage the children and celebrate their achievements. The atmosphere was full of excitement and encouragement, making Sports Day a true community event and creating special memories for everyone involved.
